

THE POWER OF PAYROLL DEDUCTION

Payroll deduction is one of the most convenient and popular ways to make a gift to Indiana State University. You determine the amount of your gift which will be deducted monthly. It begins immediately upon your request and will renew until you contact us. Payroll deduction contributions quickly add up to a substantial gift. For example, a donation as small as \$8.33 per pay period grows to \$100 per year. Imagine the collective difference this could make in deserving students lives if every member of the faculty and staff participated at this level!

DETERMINE THE AMOUNT PER PAY PERIOD BASED ON YOUR TOTAL ANNUAL GIFT
